Note from the Author:

The verb "enamored" means: be filled with love, in love, or enchanted by.

I am grateful that I can share my art with you. I hope by coloring them, you will be inspired to find your own magic.

The recommended media for coloring this book are - colored pencils, fine liners, alcohol markers, gel pens and glitter pens. I suggest you to put at least 2 or more sheets of paper behind the page you are coloring on to prevent bleed-through or leaving indentation marks to the other pages in your book. In addition, you can also scan the image and print it on a thicker paper (e.g. 200 g/m²) if you would like to work with water based media.

Please feel free to share your finished projects at my Facebook page:

I would like to dedicate this book to my parents, though they live thousands of miles away from me but will always be near in my heart.

I wish you lots of fun in your creations!
